Section A: Policies and Instructions

Declaring a Major:

1. Students are required to file a declaration of major at the Registrar’s Office no later than the end of their fourth semester.
2. A late fee of $25.00 will be charged if the petition is submitted after the deadline.
3. A declared major may be changed at any time up to the add/drop deadline of the student’s final semester by submitting a new major declaration form.

Declaring a Minor:

1. Minors are optional programs, you are not required to have a minor to graduate.
2. The deadline for declaring a minor is the 5th day of classes of the spring semester of the senior year.
3. Students must declare their Major Field of concentration before declaring a minor.

Declaring an Applied Minor:

1. Applied minors are optional programs, they are not required for graduation.
2. The deadline for declaring an applied minor is the 5th day of classes of the spring semester of the senior.

Progress towards completion of a major, a minor, and an applied minor will be tracked in DegreeWorks.

Complete Section B below and the relevant program section. Next to each requirement, indicate which semester (e.g. Fall 2023) you have taken or will take that course.

Your form must be signed by the Department/Program and your academic advisor (must be in your field of study for your major).

Medical Humanities Applied Minor

Use this form to declare a minor in **Medical Humanities Applied Minor**.

**Minor/Applied Minor Declaration Form**

Declared Major(s) ____________________________________________

The courses for this applied minor are organized into two categories, humanities and social sciences. You must take four or five approved courses (totaling 15 credit hours) with at least one course from the humanities division and one course from the social sciences division) along with one co-curricular activity and one culminating experience.

Below is a listing of some of the courses currently available. Keep in mind that other newly developed courses not listed here may also count toward the applied minor. If you are wondering about whether a social science/humanities course related to health and medicine can count toward the minor, please contact the medical humanities convener, Vince Punzo.
